## **MISSION STATEMENT**

Urban Servant Corps is a faith-based, intentional community of full-time volunteers who seek to live simply while serving and accompanying those most in need at non-profit partner agencies in the heart of Denver.

## **VISION STATEMENT**

Acting for peace with justice, advocating for and with the oppressed, and sharing our abundance as we respond to Christ's call to love.

## **IMPACT STATEMENT**

Since 1987, Urban Servant Corps' full time volunteers have contributed more than 800,000 hours of service for more than 75 non-profit partner agencies in central Denver.

Urban Servant Corps prepares tomorrow's leaders through professional development, faith formation, household management, and environment stewardship. Program volunteers contributed immediate and direct service to people experiencing homelessness or in need of basic human services.

Additionally, volunteers advocate for and with others for lasting solution and long-term social change during their transformational year-long experience.
