## **Trust Committee Report**

Over 60 people contributed money as a Memorial to a loved one or friend from October 2017 to October 2018. Some of this money has been designated for specific projects and went to that particular budget item. The rest was donated and the Trust Committee used that money to fulfill Trust Fund requests submitted by members of Holy Shepherd for things needed to enhance our church and worship.

This year, money was distributed for the rock replacement project along Kipling.

Thank you to everyone who donated money this year as a Memorial to those they love. Your gift will continue to enhance the life of our church.
