## **Befana, the Santa of Epiphany**

When I was in high school, my family welcomed an exchange student into our lives. Anna, from Italy, has remained a life-long friend and because of Anna, the Epiphany season is special to me.

Anna told me the legend of the Italian Santa Claus, Befana. Here is a brief rendition of her story:

*Befana is busy with household duties, diligent and focused, when she hears a knock on her door and when she opens her door she sees an entourage of wise men on camels, traveling from afar.*

*They tell her they are seeking a new ruler who has been born who will rule with love. They tell her they are following a star to honor and adore this new ruler.*

*The wise men invite her to come with them. She refuses. She is too busy.*

*And so they continue on their journey without her. It is only after they have left that she begins to wonder if she is missing the best offer of her life and so she gathers up toys to share with the Christ child and leaves her house to follow them on the journey.*

*She never finds them but she lives forever on the road, sharing her bag of gifts with the children she meets all over the world.*

Befana reminds me that God is inviting me to listen for a knock on my door.  
Her story invites me to open the door and wonder! God is inviting me on a journey!  
She shows me that God has great love to share and I am to let go and bring my gifts.

What about Holy Shepherd?

In this season of budgets and annual meetings, how do we live in the holy season of Epiphany, and let Befana's story speak to us?

How is God knocking at our door?  
What great love does God have to share with us?  
Where is God inviting us to journey?  
What gifts can we bring to freely and joyfully share?

**December** was truly a wonderful time of the year for our **Family Promise Guests**.

On December 9th, with the support of our church members, Christ on the Mountain volunteers and the Family Promise staff, we hosted a smashing successful Christmas party.

The party was for the guests who had been in the Family Promise program during 2018 and those who were currently in the program. We served about 30 pizzas and other goodies to approximately 150 guests. The pizza and cookies were the biggest hit for the children. Christ on the Mountain volunteers made many dozen cookies. We had enough left over for every family to take a small bag of cookies with them.

Santa and Mrs. Claus were in attendance and Santa gave every child a gift. In addition, due to the generosity of our church and other churches that host Family Promise guests, every family took home additional gifts for the parents and children.

Just to watch the children go up to Santa and sit on his lap and receive a gift was truly a blessing. **My prayer for 2019 is that people who have thought about becoming active in the Family Promise mission will contact me or sign up for a volunteer opportunity during one or more of our five rotations.**

One week after the Christmas Party we welcomed 15 guests at our church to stay with us for the week. The families had been in attendance at the Christmas Party and the children were still excited about the gifts they received and all the fun they had.

All of the adults but one had jobs and were working hard at improving their situation. One of the families of four were without transportation. They had to take the bus in the morning to ride with their children to get them to their school and then get to work using another bus. The afternoon pick up for the children included additional bus rides and waiting for buses which was time consuming. As a result, the family was not able to get to the church to eat until evening. I was told by one of our volunteers that when the family arrived at our church to eat they were so hungry they ate for a solid hour. Our wonderful volunteers cooked and saved food for this family so they could eat after the dinner hour. We are so blessed!!

Beth & her kids were prevented from homelessness!

Beth turned to Family Promise of Greater Denver after having to put unexpected repairs into her car leaving her short for rent. We were able to supplement a portion of her rent allowing her family to stay safe & in their home.

Whitney, Clarence, & their kiddos were able to move into their new home because of your generosity.

***& assisted 22 families transition back into stable housing!***

We've officially completed the first full year of our Prevention & Rehousing Program. In 2017 we began this program with initial funding from Help Us Move In (HUMI), an organization partnering to end homelessness.

With your help, we raised the remaining \$30,000 for a total program cost of \$40,000.

***We served a total of 81 families including 163 children through Prevention & Rehousing in the past year & continue to serve more.***

Your support will allow us to serve even more families who are facing a housing crisis.

***Every dollar donated goes directly to families!***

## Ministry Focus: *Advocacy*

### Thoughts from Bishop Jim:

For many people in our nation, the notion of “church” and “state” belong in separate realms. As ELCA Christians, we recognize the inseparable connection between the role of government and our voice as the church when it comes to the life of our marginalized neighbors, especially those living with hunger or poverty. Advocacy is an essential ministry of our church calling us to engage public leaders, asking them to partner with us as people of faith in developing solutions that address systemic issues related to our neighbors in need. What a gift to use our voices as God’s instruments of justice for the life of the world!

### Mission Moment: *Lutheran Advocacy Ministry-New Mexico Advocacy Conference*

The 2018 Lutheran Advocacy Ministry-New Mexico Advocacy Conference was held on Saturday, November 17 at St. Paul Lutheran Church in Albuquerque. There were over 100 attendees with many full communion, ecumenical, and interfaith advocacy partners joining advocates from ELCA congregations in New Mexico.

Director of ELCA Advocacy, Amy Reumann, was the keynote speaker with the theme of “God’s Word Spoken

Publicly, Boldly, and Honestly.” Rocky Mountain Synod Bishop Jim Gonia opened the conference with prayer and remarks. Attendees networked with each other and learned about ELCA advocacy and LAM-NM issues that are expected in the upcoming 2019 legislative session. Those issues included creating a Medicaid Buy In program for low-income people; creating the mid-level profession of dental therapist to help deal with the lack of access to dental care; and building a “Roadmap to a Stronger New Mexico.” During lunch, Justin Remer-Thamert, executive director of the New Mexico Faith Coalition for Immigrant Justice and a member of the LAM-NM Policy Committee, updated the gathering about migrant advocacy work along the border and in New Mexico.
