LUTHERAN DISASTER RESPONSE
U.S. TORNAOES

MARCH 2019

ELCA.org/disaster

On March 3, powerful tornadoes hit Alabama, Georgia and Florida, causing widespread destruction. At least 23 people have died in Lee County, Ala., and others are still unaccounted for. More than 1,000 homes have been damaged, and thousands of people have lost power.

Lutheran Disaster Response is working with those in the impacted states, including

partnering with congregations in the Southeastern Synod to respond with immediate relief.

Gifts to Lutheran Disaster Response designated for "U.S. tornadoes" will be used to help those affected by tornadoes until the response is complete. Together, we can help provide immediate and long-lasting support. Please give today.
