

Welcome to The Shepherd's Staff

As I write these words, the horrifying news of another school shooting is swirling about me. AND, the words of the 23rd Psalm simultaneously ring within me, in particular, "though I walk through the valley of the shadow of death, I will fear no evil." I have to say, these two realities seem to challenge one another and at this moment, I'm not sure I'm where I want to be, firmly in the "I will fear no evil" part.

How can I proclaim these words when I receive news that a grandson's best friend was killed? How can we "not be afraid" when tragedies like this become seemingly routine? How can we "not be afraid" when we, as a society and government seem to point our fingers at each other or at perceived solutions all while nothing seemingly gets done to prevent these tragedies from happening in the future?

The time is now and WAY overdue, for us to take action and **live out our identity as Children of God and work for peace, not just wish for it.** We are being called to step into the places of pain, death and yes, fear and courageously work for justice, and not just point to others to do the work. The time is NOW for us to see the "other" as Christ and not an ideology to be defeated because it isn't my ideology. We must, with great love, accompany our sisters and brothers with mental illness and advocate for resources to be available when and where they are needed. We must ask ourselves, "How does our faith inform us as we address our society's relationship with guns and violence?" And we must take action to advocate for legislation that reflects our values as followers of Christ. Our identity as Children of God needs to be a higher priority than our membership in any club or even our citizenship.

All of these words are first directed to ME. I am feeling convicted and empowered to move beyond the passive observer that I have been for far too long. AND I believe WE, the Body of Christ, have inherited an identity that calls us very clearly to take action and not just think about it. Christ became the living WORD of God and lived out his identity far beyond merely sitting around and talking about issues. And I believe this is our calling also.

So, a first step for me is participating in two prayer vigils where I will listen to and journey with Sisters and Brothers that are feeling the heaviness of the evil of violence and fear. The next steps for me...I'm not sure yet. But, there will be more steps.

Sisters and Brothers in Christ, may we embody the great love of God as we face the great suffering of the world. How? Why? Well, Psalm 23 has a reason for us. "...You, God is with us." With God, we will remember, that we need not be afraid as we follow Christ, the one who knows this best.

Grace and Peace be with you all.

Michael

The Dance of Luke & Acts

June 2 & 9 9:30 am Bell Choir Room

Pastor Kari will teach some central themes that dance through the gospel and the Acts of the Apostles. Mary sings of God "bringing down the powerful and lifting up the lowly". Zechariah prophesies that Jesus will "guide our feet into the way of peace." John the Baptist proclaims that the "crooked shall be made straight and the rough ways made smooth". Jesus says he is sent to "proclaim release to the captives..."

Come and see how the dance of God's good news enters the stories we hear throughout the gospel readings this summer. You are invited to enter the dance!

Easter Breakfast

Grateful Appreciation!

Every year the youth of Holy Shepherd sponsor the Easter Breakfast on Easter Sunday. There is no charge for the breakfast; only a free-will offering is taken.

Over \$900 was donated this year! This year's donation was given to **Lutheran Immigration and Refugee Services** - a non-profit organization that welcomes and supports refugees and migrants entering the United States. It is one of nine refugee resettlement agencies working with the Office of Refugee Resettlement and one of only two that serves unaccompanied refugee minors. LIRS also advocates for just policies and practices relating to immigration and detention.

Thank you for your loving support!!

Service Weekend – May 18th & 19th

On **Saturday & Sunday, May 18th & 19th** the community of Holy Shepherd will gather to offer ourselves in service, to worship God through our hands.

This year's main focus will be "tidying up" our facility as part of our transition time. As with any home, there is a time to purge and clean, to freshen up and start new.

Most of our projects will be cleaning out storage and closet spaces throughout the church, re-arranging and "purging". We will also have some of our usual projects that help serve the wider community.

Ministry Focus: *Faith Formation*

Thoughts from Bishop Jim:

When I offer my teaching on Claiming Our Gifts, I like to remind folks that we are not the type of Christians who believe that there is an "arrival point" in the life of faith. Rather we are people committed to lifelong growth as disciples, recognizing that there is ALWAYS something new to learn and experience about the God we meet in Jesus! Luther himself was passionate about providing tools for lifelong learning, offering everything from the Small Catechism to Table Talks. While our particular practices for faith formation may change over time - intergenerational models are popular now, for example - our hunger for Spirit-inspired faith discovery will always be part and parcel of our DNA as the ELCA.

Mission Moment: *Faith Lutheran Golden*

FAITH Lutheran has had a Vacation Bible School program for many years. Years ago, we started having conversations around why we do VBS and how do we help kids live into the mission of FAITH, which is *Changing Lives Through the Power of Jesus, so that they can go out into our world and be the hands, feet, and voice of Jesus*. One answer is that we want to always share the love of Jesus with kids and help them know how much they are loved by an amazing God. In this process, we changed the name of VBS to Kids Camp. It sounds a little different, but that's just what we wanted to do with Kids Camp...make a difference.

Through our youth group's relationship with Joshua Station, an organization that provides a two-year transitional housing program for people experiencing homelessness, we dreamed of including Joshua Station kids in Kids Camp. We now rent vans to transport kids at Joshua Station to and from Kids Camp. We even have some volunteers from there each year! It's a great and growing relationship we love.

None of this could be done without the tremendous support and outpouring of love from the community of Faith Lutheran Church. This is an intergenerational event with people ages 12 to 85 working in the week all leading up to and during the week of camp. We have grown from serving about 45 kids each summer to almost 300. The kids love the stories, games and projects, but they also love learning that they can share the love of Jesus with others and make a difference in their world.

The best part of all of this is that we do this in partnership with other churches in Golden! We have developed relationships that encourage congregations to support one another across denominational lines and work together to be the hands, feet and voice of Jesus in Golden.
