

Sisters and Brothers in Christ, this is Pastor Michael, Pastor Courtney and President of the congregation, Diane Klinkerfues.

Because we are committed to healthy relationships and with the ever evolving information about the COVID-19 virus from The Center for Disease Control (CDC), health officials, church colleagues, we are cancelling all Holy Shepherd Lutheran Church events effective immediately. This includes weekend worship services and Wednesday Night Life activities.

Just because we will not be meeting in person, does not mean that we will cease to be community. We are committed to being the healthiest community we can be. We are in process of evaluating and researching alternatives to being healthy community during this time. We will contact you early next week with our plans for future ways of being healthy community.

Together, with God's help, we will continue to live out our mission, in this new reality that we live in at this moment. Take care of yourself by practicing the CDC's recommended healthy habits: washing your hands, contacting your doctor if you are feeling ill and avoiding large gatherings.

We will be in touch regarding our plans for the next couple of weeks. In this time, know that you are loved and prayed for and together, with God's help, we will journey through this wilderness, for the sake of life.

Peace,

Pastor Courtney Steitz
Pastor Michael TeKrony
President: Diane Klinkerfues
