“THE LORD BE WITH YOU”

As you can tell by the pictures, we've had a busy week at SUMMER CAMP.

We asked ourselves, “Who Is My Neighbor?”

I feel like Mr. Rogers – “It's a beautiful day in the neighborhood.

Won't you be my neighbor?”

This week we learned that our neighbor was more than the family next door or down the block.

1. Through the story of creation, we were reminded that we are all made in God's image.
 2. We learned the importance of friendship.
 3. We now know that our neighbors are not just those we encounter daily but also those who are far away and whose lives are different from ours.
 4. And that we love our neighbors by caring for them in little and big ways.
-
- I. So, what does it mean that we are created in God's image?
 - As it says in Genesis – “God saw all that God made and called it very good.”
 - That means we are all valued and are God's image-bearers.
 - We matter for our specialness, our uniqueness.
 - Our individuality, as created by God, is so that our light can shine brightly & our gifts used freely for good.
