

the SHEPHERD'S STAFF

A BLESSED WEEK AT CAMP!

Dear Brothers and Sisters in Christ,

What a real blessing it was to be able to spend July 23-28 at Sky Ranch Lutheran Camp with 8 awesome youth from Holy Shepherd: Jonathan & Lauren Mahoney, Kale Mason, Matthew Mohrbacher, Karli Patterson, and Edgar, Jade & Gavin Tomlinson.

I've attended Bible camp as a youth, two different camps in Iowa as a pastor, and both of our camps in Colorado with youth from Holy Shepherd—Rainbow Trail and Sky Ranch—and I am consistently impressed by the ministries our camps offer to the church! At Sky Ranch, the mission is to offer participants an opportunity to “Encounter Christ on the Mountain”. And that's exactly what happened--for our campers and for me.

I invite you to ask our campers about their camp experience, and how they experienced God while at Sky Ranch. I'd like to share some of my “God moments” during my time at Sky Ranch:

- Being invited on a short hike to lovely Beaver Falls by a cabin full of girls, including Karli, and their counselor. I was blessed by the conversation, beauty, community, and prayer time led by the girls' counselor, Abby.
- Sitting alongside a mountain stream that runs through camp, reading the lovely poetry of Mary Oliver and writing a bit of my own.
- The hospitality of camp staff, expressed in so many ways--including great food!
- Being included with middle school campers for s'mores and end-of-day worship.
- Engaging in quality conversation about life, camp, church, world, and Christ with camp leadership staff and the pastors and adult leaders present from other congregations.
- 7 AM Bible study—yes, 7 AM—with many of those same leaders. And not having to lead but, rather, being led by capable, competent, confident 20-something Alexa.
- Witnessing the faith, energy, and leadership of young adult camp staff.
- Observing our older kids challenge themselves on the high ropes course, and our younger kids building community as they participated in team-building activities.
- Observing one of our youth comfort a homesick cabin-mate, with an arm around the shoulder and a promise: “It's OK—I'll be here with you until Friday.”
- Witnessing and experiencing the unconditional, Christ-like love offered by the camp staff to each other and their camp guests—including me.
- Participating with a room full of youth, staff, and adults in worshipping and singing camp songs with energy and enthusiasm for nearly two hours the last night of camp.

If you have children—send them to camp! If you have an opportunity to participate in an activity at one of our camps—do it! And, while you're at it, Holy Shepherd, pat yourself on the back, because some of the financial gifts you share through our congregation are sent on to support the fine ministry our camps offer. Thanks be to God!

Feeling blessed,

Pastor Rick Thompson

The 95 Theses

Leader: Dennis Jacobson

Join us on Sundays at 9:30 for an adult bible study on Luther's 95 Theses, commencing September 10, 2017 and running for four successive weeks. This class will go in depth on the content and context of Martin Luther's 95 Theses, posted on October 31, 1517 as an invitation to theological debate. To understand the significance of the issues raised we will delve into the Catholic doctrines of purgatory and indulgences. We will learn of the importance of an obscure priest named Johann Tetzel whose preaching and actions directly led to Luther's posting of the theses, as well as the importance of the recent invention of the printing press to the momentum behind the reformation. The posting of the 95 theses was only a first step in Luther's journey guided by the radical thought that scripture trumped man's rules, and culminating in the five solas, the foundations of the Christian faith as taught by Jesus Christ. Come and learn a little Latin, a lot of theology, and just what those five pillars of the faith are. Free materials for all who attend.

MONDAY Afternoon

The Acts of the Apostles

the 2nd and 4th Monday of each month

Our next study dates: Sept 11, Oct 9

We meet in the Fellowship Hall

The book of Acts takes us back beyond The Reformation, The Middle Ages, and even the early church history. Dr. Luke gives us a window into the transition from Jesus' ministry in Palestine to the amazing, world-wide revolution his followers began, known as Christianity. Come and study with us how a few dozen ordinary people, empowered by The Holy Spirit, started one of the most far-reaching movements in the history of our world.

We invite all women to join us for study, discussion, and prayer time. Contact me for more information.

Some info about The Legacy Quartet . . . **Ministry Through Music**

We exist to lift and magnify our Great God, the Holy Trinity. We are not the Message, but are so blessed that our Lord allows us to be His Messengers. We pray to be used by Him, and that we be minimized, and He be maximized.

"When Legacy was formed in 1981, we had no idea that it would evolve into an International Ministry, blessed by our Lord beyond anything we could have ever imagined."

HIGHLIGHTS:

7 tours of S.Korea, venues including: Singing in the largest church in the world, (200,000 per week, 800,000 members) the US Army, the S.Korean Joint Chiefs of Staff, churches, colleges, high schools, and FEBC radio stations, in tours throughout that beautiful country.

3 tours of Australia, including being blessed to sing in The Great Hall of The Parliament in Canberra, churches, schools, and other venues there. Venues in Canada

Toured Cuba, a blessed experience we will never forget or get over.

Concerts in venues throughout the Central and Western USA, including churches, concert halls, banquets, sporting events, political events, fund raising events, business events, retreats, ministry events, RV Resorts, Universities, and many more.

We are blessed to be associated with the ministries of Dr. Jim Groen. He has been International President of Youth for Christ, had his own worldwide ministries, and is now associated with "A Voice for The Children" ministry.

X Taizé *Worship*

August 26 & 27, all services

Guest leader/speaker, Brad Berglund, will be leading all 3 worship services the weekend of August 26/27, in the contemplative worship style of the Taize community.

Founded in 1940 in France by a monastic of the Reformed tradition, the **Taize Community** is known around the world for its contemplative worship and music. Biblical texts and simple music allow the worshiper an undistracted opportunity to contemplate and meditate on the realities of God's revealed love. Pastor Michael recently went to France with a small group led by Brad, to experience this spiritual practice.

Please come and learn about and engage in this meditative and spiritual worship.

Brad will also be leading the Adult Ed class on August 27th (9:30am, Library) to explain in more detail the Taize community.

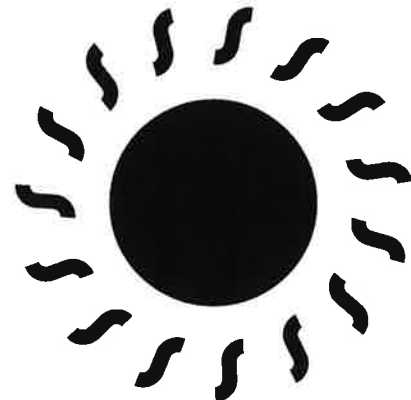

Growing with Jesus!

The Faith Formation Team is looking for adult leaders to help lead the "Growing with Jesus" children's time at ALL services (most needed: 10:45 worship service).

Curriculum & ideas are supplied with training provided. You can lead once a month, every other week, a whole month – whatever works for you.

Please contact Karen Novess, 303-233-2740 or knovess@holyshepherd.com if you are interested in volunteering for this unique ministry.

THE LOAVES AND FISHES

In his August 6th sermon from Matthew, Pastor Jorgenson talked about the story of the loaves and fishes. He said that this story is not only about food...it is also about challenge and opportunity.

I was helping pack school supplies for the Action Center and noticed a huge pile of bags filled in the corner. I asked why they were separated. "Oh," said the volunteer coordinator, "We ran out of bottles of glue so we're hoping to get donations of glue to finish filling them."

In my purse was the \$100 "profit" from a year's worth of selling the equal-exchange coffee. The Mission Committee had decided that buying school supplies would be a good way to spend it. I went to Walmart, got a 10% discount, and was able to return to the school packing with 220 bottles of glue. It was enough to fill all the bags that needed it!

Challenge and Opportunity...whether it's loaves and fishes or glue and school supplies!
