The Acts of the Apostles

Come and study with us how a few dozen ordinary people, empowered by The Holy Spirit, started one of the most far-reaching movements in the history of our world.

HOLY WEEK

We Want You to Know...that a project has started in **the library**. We are replacing the large cross stained glass that was damaged in the hailstorm last May. The contractor has been chosen and he began work on Wednesday to replace the stained glass with a wall and a 5' by 8' window in the middle. He will be working slowly to save some of the old glass and will not be working during Holy Week.

The library has been losing heat through this beloved stained glass window and the Property Committee saw this storm as an opportunity to tighten up the structure. The storm insurance money will pay for this project.

Contact Gerry Scholten with any questions. 303 986-3426
