ELCA WORLD HUNGER

Today, 1 person in 9 lives in extreme poverty, living on less than \$1.90 a day. In the United States, 46.7 million Americans live in poverty and 795 million people around the world do not know where their next meal is coming from. As members of the ELCA, we are called to respond. Your gifts to ELCA World Hunger help our church creatively and courageously work toward a world of justice in which **all are fed.**

GLOBAL NETWORK. LOCAL APPROACH.

We walk alongside our partners and companions in the United States and in more than 60 countries to find solutions to unique challenges within the local

context. We start by listening to our neighbors and learning how we can accompany them to help break the cycle of hunger and poverty – for good.

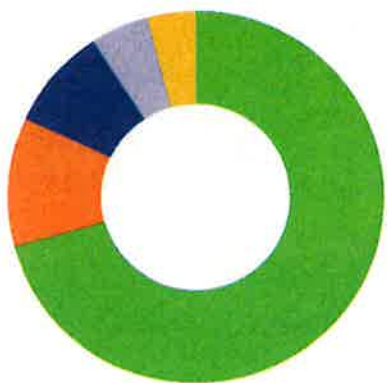

YOUR GIFTS. YOUR CHURCH. TRANSFORMING THE WORLD.

ELCA World Hunger has been working to address hunger and poverty through education, advocacy, relief and development for 43 years. From microloans to health clinics, water wells to animal husbandry, your gifts to ELCA World Hunger support innovative solutions that get at the

root causes of hunger. And they don't stop there. We engage Lutherans in advocacy and hunger education to act and speak in ways that can make a difference. Through this comprehensive approach, we address hunger from all angles, locally and around the world.

Our goal for 2017 is to raise \$24 million to support the work of our worldwide network of companion churches and partners in the fight to end hunger. We rely on your gifts. ELCA World Hunger is funded solely by gifts from ELCA members and congregations like yours. More than 90 cents of each dollar you give to ELCA World Hunger goes to directly support programmatic work, with less than 10 cents of every dollar used for program administration and fundraising. Thank you for making this work possible through learning, action, prayer and giving.
