Transition Time:

What is it?

GOOD QUESTION!

and many of you have more questions.

**Come to the Adult Study
on May 13 in the Fellowship Hall at 9:30am
with Pastor Kari**

Here are some of the questions we will be looking at:

- What is the difference between change and transition?
- Why is the time between endings and new beginnings important?
- How does our faith tradition guide us in transitional times?
- What is the role of an intentional interim pastor and a transition team in the life of a congregation?
- How can we all be involved in making a difference for Holy Shepherd and the people who are served and yet to be served by its ministry?

Sharing God's Word through the Arts

We're going on a journey!

The story of faith is a journey story...

- Abraham and Sarah left their land to venture to lands unknown but promised by God
- Moses led God's people out of slavery to freedom in a new land
- Jesus journeyed with his disciples to Jerusalem
- Paul traveled from Jerusalem to Rome and beyond.

Holy Shepherd is in a time of journey...it is a time of change, and adventure to what is yet unknownit is a time to grow in faith in the God who provides

Bread for the Journey

In Baptism God sends us out on a journey to be God's people in the world. We are a people who are gathered and who are sent! The early church called themselves "The Way" because they saw that God's Spirit was leading them to a life in community and a way of service that they had not experienced before.

Holy Shepherd invites everyone – of all ages – to share a visual art creation/ expression that reflects this journey theme that will be displayed in the Narthex.
