TRANSITION TEAM

Congregational Vitality Survey

Over a period of 4 weeks, beginning the weekend of August 18th, the community of Holy Shepherd was asked to fill out a Vitality Survey, developed by the Rocky Mountain Synod. This survey was a tool, that the transition team could use to hear all perspectives on the ministries of Holy Shepherd, its strengths and weaknesses.

Congregational Vitality Survey Results

On **Wednesday, October 24th at 6:15pm** Matt Barnhouse, the new Director of Evangelical Mission will present the results of the survey with the Holy Shepherd Community and discuss the implications of our responses. We hope that everyone will come to listen and participate as we move forward in this transition.

Coming October 23....

Holy Shepherd's Transition Team presents

***The Story of US - Holy Shepherd
Lutheran Church***
a history time line art project

More than a timeline, this creative art project will open October 23 and unfold through January 6.

There will be numerous opportunities for **YOU** to participate during that time.

The timeline will be a place for **US** to remember what is special and significant about our experience at Holy Shepherd - our beliefs, our values, our memories and stories. It will visually tell the story about **US**, our **PAST**, our **PRESENT**, and our **FUTURE**.

Together we will explore the question,

“What is Holy Shepherd Lutheran Church?”

Here are some ideas.

Holy Shepherd Lutheran Church is a place for:

- celebrating and expressing our relationship and connection to God
- coming together in fellowship to worship, to grow and learn, to serve and share the good news of our Christian faith. It is a place to meet, to call home, and to create long time relationships with others. It is a place to belong.
- creating memories
- sharing our stories about the things we love, the jobs we do, our smiles, our funny thoughts, the dreams we dream, our fears, our tears, our losses, our gains, and our differences.

For more information, contact: Joan Meister, Transition Team: 303-725-5894.
