### Trust Committee Report

Over 64 people contributed money as a Memorial to a loved one or friend from October 2018 - October 2019. Some of this money has been designated for specific projects and went to that particular budget item. The rest was donated generally and the Trust committee used that money to fulfill Trust Fund requests submitted by members of Holy Shepherd for items needed to enhance our church and worship. This year, money was distributed to support the HVAC fundraiser and for the Service Day dumpster.

Thank you to everyone who donated money this year as a Memorial to those they love. Your gift will continue to enhance the life of our church.
