

Psalm 1

**It's a good thing to learn who God is
and who we are:**

God's beloved children!

**When we hear and study God's word
it's like when you water a tree.**

We grow in love and joy

and know that God is always with us.

Knowing God helps us do all the things

God would have us do,

And we are happy!

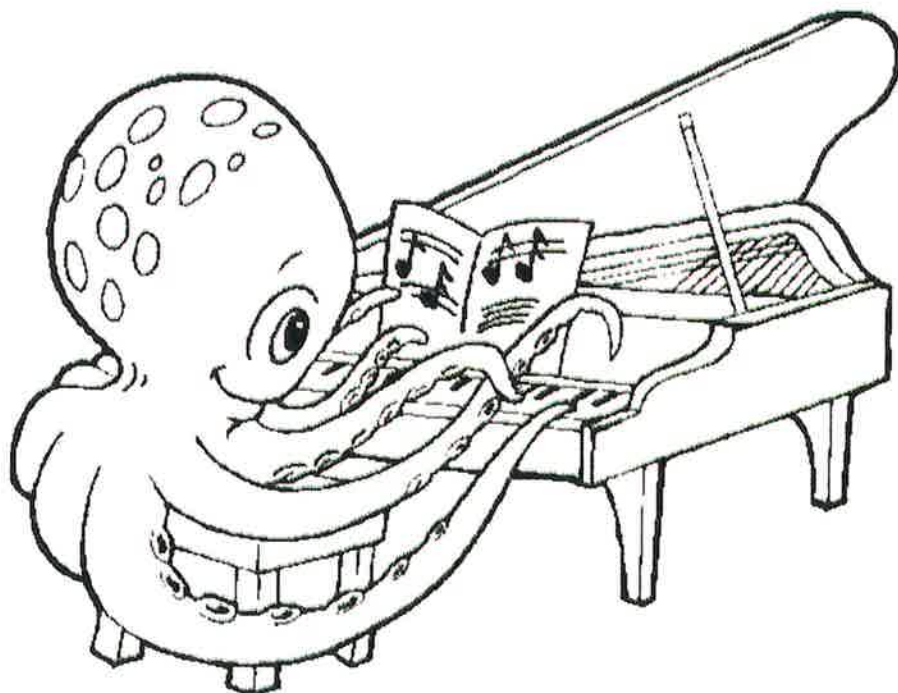

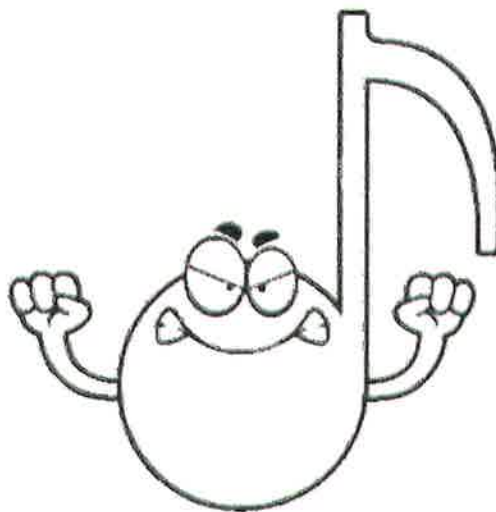

Hope & Happiness

With God, we can find them even during
tough times!

Did'ja Know?
