

## Galatians 1:13-17; 2:11-21

Paul helped to start lots of churches. He shared the good news of Jesus everywhere he went. All kinds of people started to follow Jesus. Some of them had always known about God. Others had never even heard of God.

“We don’t know how to follow Jesus,” said a man.

“Will God love us if we get it wrong?” asked woman.

Paul reassured them. “Jesus died for everyone. Now Jesus lives in you! That means you don’t have to be perfect.”

A woman said, “We just have to do our best?”

“Yes,” Paul said. “Learn from the people who know God. Learn from each other. Love God, and love and take care of your neighbor.”

The people smiled. “We can do that!”

Memory Verse

I have been crucified with Christ; and it is no longer I who live, but it is Christ who lives in me.

- Galatians 2:19-20

Taking care of yourself and your family is great. This week, see how you can help care for the greater neighborhood. For example, pick up some trash you see on your way home from school.
