Welcome and Call to Order: President Lisa Grimm called the meeting to order at 11:30 am. With 74 members in attendance, a quorum (40) was achieved.

Opening Prayer was prayed by Lisa Grimm.

Pipe Organ presentation by Council Treasurer Scott Ikenberry. Scott described the electronic pipe organ that has been gifted to Holy Shepherd Lutheran Church by member Howard Mai. The organ will be installed in the spring of 2024 and will replace our 23-year old organ which is being sold for \$10,000. The pipes, manufactured in Italy, will be installed in the fall of 2024.

After the presentation, a member asked that care be given during the planning and installation to increase the focus on our altar and cross so that they don't blend into the background of organ pipes and pipe cabinets.

Budget by Scott Ikenberry, Council Treasurer. Scott pointed out that Holy Shepherd has received a gift of \$15,000 per year over the next 10 years dedicated to property improvements.

Lynden Bridges made a motion to accept the proposed budget for 2024 and Don Threlkeld seconded the motion. The motion carried.

Sound system proposal was presented by Diane Klinkerfues. She explained the need for updates to the sound system partially related to installing live-streaming capabilities with old sound equipment. A motion was made to use reserve funds to pay for the entire sound system project. After discussion, the motion was amended. Sue Scott moved that Phase 1 sound equipment be funded by \$10,000 proceeds from the sale of the old organ plus cash in reserve and Phase 2 (new projector) be financed by a fund fundraiser. Wanda Carlson seconded the motion. The motion passed with one vote opposed.

Thank you to outgoing Church Council members: We thank Lisa Grimm, president; Diane Jowell, vice president; and Judy Ekberg, secretary for their dedicated service to Holy Shepherd Lutheran Church!
